- [Section 21: Master Schedule of Banking Charges](#section-21)
- [Section 22: Electronic Fund Transfer Limits and Cutoff Times](#section-22)
- [Section 23: Digital Savings Account FAQ Directory](#section-23)

Section 1: Account Features and Minimum Balance Terms

- **Zero Minimum Balance:** The FinBase Digital Savings Account operates on a 100% zero-balance structure. There is no Minimum Average Balance (MAB) requirement.
- **Zero Penalty:** Customers face zero penalty fees or account maintenance charges for maintaining a low or zero balance.
- **Account Opening:** Paperless digital onboarding via Aadhaar OTP and Video KYC in under 5 minutes.
- **Virtual Debit Card:** Instant free virtual RuPay/Visa Platinum debit card issued upon account creation.

Section 2: Tiered Savings Account Interest Rate Slabs

FinBase calculates interest on daily end-of-day balances, credited quarterly to the account on March 31, June 30, September 30, and December 31:

Daily Balance Slab	Annual Interest Rate (p.a.)	Calculation Basis
Up to ₹1,00,000	3.50% p.a.	Daily ledger closing balance
Above ₹1,00,000 and up to ₹10,00,000	6.00% p.a.	Incremental balance above ₹1L
Above ₹10,00,000	7.00% p.a.	Incremental balance above ₹10L

Interest is compounded on a quarterly basis and deposited directly into the savings account.

Section 3: Electronic Fund Transfer Limits & Charges

- **UPI Transfers:** 100% Free. Daily cumulative limit of ₹1,00,000 with a maximum of 20 outbound transactions per rolling 24-hour window.
- **IMPS (Immediate Payment Service):** Free for all active account holders, up to ₹5,00,000 per calendar day.
- **NEFT & RTGS Transfers:** Completely free with zero transaction fees and no upper limit for Full-KYC accounts.
- **ATM Cash Withdrawals:**
 - FinBase Partner ATMs: 5 free cash withdrawals per calendar month.
 - Non-Partner ATMs: 3 free withdrawals per month in metro cities (5 in non-metro locations).
 - Subsequent ATM cash withdrawals beyond the free allowance incur a fee of ₹21 + 18% GST per transaction.

Section 4: Savings Account Telemetry & Operational Standards 4

- Standard FB-SAV-OPS-004 governs account maintenance, nominee registration, and interest withholding compliance.
- Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.
- Rule 4.1: Auto-sweep facility threshold customization and liquid fund linkage.
 - Rule 4.2: Nomination updates and succession claim documentation protocols.
 - Rule 4.3: Foreign inward remittance reporting under FEMA regulations.
 - Rule 4.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
 - Rule 4.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
 - Rule 4.6: Joint account holder mandate requirements and survivorship clauses.
 - Rule 4.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-401	POS E-commerce	₹2,00,000	No Cap	Free
SAV-OPS-402	International POS	₹1,00,000	₹5,00,000	1.5% Forex Fee
SAV-OPS-403	Contactless Tap	₹5,00,0	₹25,000	Free
SAV-OPS-404	Cash Deposit Partner	₹50,000	₹2,00,000	₹50 per transaction

Section 5: Savings Account Telemetry & Operational Standards 5

- Standard FB-SAV-OPS-005 governs account maintenance, nominee registration, and interest withholding compliance.
- Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.
- Rule 5.1: Auto-sweep facility threshold customization and liquid fund linkage.
 - Rule 5.2: Nomination updates and succession claim documentation protocols.
 - Rule 5.3: Foreign inward remittance reporting under FEMA regulations.
 - Rule 5.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
 - Rule 5.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
 - Rule 5.6: Joint account holder mandate requirements and survivorship clauses.
 - Rule 5.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
---------------	--------------	-------------	-------------	------------------

SAV-OPS-501	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-502	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-503	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-504	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 6: Savings Account Telemetry & Operational Standards 6

Standard FB-SAV-OPS-006 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 6.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 6.2: Nomination updates and succession claim documentation protocols.
- Rule 6.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 6.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 6.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 6.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 6.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-601	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-602	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-603	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-604	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 7: Savings Account Telemetry & Operational Standards 7

Standard FB-SAV-OPS-007 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 7.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 7.2: Nomination updates and succession claim documentation protocols.
- Rule 7.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 7.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 7.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 7.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 7.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-701	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-702	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-703	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-704	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 8: Savings Account Telemetry & Operational Standards 8

Standard FB-SAV-OPS-008 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 8.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 8.2: Nomination updates and succession claim documentation protocols.

- Rule 8.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 8.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 8.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 8.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 8.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-801	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-802	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-803	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-804	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 9: Savings Account Telemetry & Operational Standards 9

Standard FB-SAV-OPS-009 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 9.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 9.2: Nomination updates and succession claim documentation protocols.
- Rule 9.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 9.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 9.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 9.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 9.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-901	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-902	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-903	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-904	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 10: Savings Account Telemetry & Operational Standards 10

Standard FB-SAV-OPS-010 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 10.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 10.2: Nomination updates and succession claim documentation protocols.
- Rule 10.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 10.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 10.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 10.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 10.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1001	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1002	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1003	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-1004	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 11: Savings Account Telemetry & Operational Standards 11

Standard FB-SAV-OPS-011 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 11.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 11.2: Nomination updates and succession claim documentation protocols.
- Rule 11.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 11.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 11.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 11.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 11.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1101	POS E-commerce	₹2,00,000	No Cap	Free
SAV-OPS-1102	International POS	₹1,00,000	₹5,00,000	1.5% Forex Fee
SAV-OPS-1103	Contactless Tap	₹5,00,0	₹25,000	Free
SAV-OPS-1104	Cash Deposit Partner	₹50,000	₹2,00,000	₹50 per transaction

Section 12: Savings Account Telemetry & Operational Standards 12

Standard FB-SAV-OPS-012 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 12.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 12.2: Nomination updates and succession claim documentation protocols.
- Rule 12.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 12.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 12.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 12.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 12.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1201	POS E-commerce	₹2,00,000	No Cap	Free
SAV-OPS-1202	International POS	₹1,00,000	₹5,00,000	1.5% Forex Fee
SAV-OPS-1203	Contactless Tap	₹5,00,0	₹25,000	Free
SAV-OPS-1204	Cash Deposit Partner	₹50,000	₹2,00,000	₹50 per transaction

Section 13: Savings Account Telemetry & Operational Standards 13

Standard FB-SAV-OPS-013 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 13.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 13.2: Nomination updates and succession claim documentation protocols.
- Rule 13.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 13.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 13.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 13.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 13.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1301	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1302	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1303	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-1304	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 14: Savings Account Telemetry & Operational Standards 14

Standard FB-SAV-OPS-014 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 14.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 14.2: Nomination updates and succession claim documentation protocols.
- Rule 14.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 14.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 14.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 14.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 14.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1401	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1402	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1403	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-1404	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 15: Savings Account Telemetry & Operational Standards 15

Standard FB-SAV-OPS-015 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 15.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 15.2: Nomination updates and succession claim documentation protocols.
- Rule 15.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 15.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 15.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 15.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 15.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1501	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1502	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1503	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-1504	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 16: Savings Account Telemetry & Operational Standards 16

Standard FB-SAV-OPS-016 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 16.1: Auto-sweep facility threshold customization and liquid fund linkage.

- Rule 16.2: Nomination updates and succession claim documentation protocols.
- Rule 16.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 16.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 16.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 16.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 16.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1601	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1602	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1603	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-1604	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 17: Savings Account Telemetry & Operational Standards 17

Standard FB-SAV-OPS-017 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 17.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 17.2: Nomination updates and succession claim documentation protocols.
- Rule 17.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 17.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 17.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 17.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 17.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1701	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1702	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1703	Contactless Tap	■5,00,0	■25,000	Free
SAV-OPS-1704	Cash Deposit Partner	■50,000	■2,00,000	■50 per transaction

Section 18: Savings Account Telemetry & Operational Standards 18

Standard FB-SAV-OPS-018 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 18.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 18.2: Nomination updates and succession claim documentation protocols.
- Rule 18.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 18.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 18.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 18.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 18.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1801	POS E-commerce	■2,00,000	No Cap	Free
SAV-OPS-1802	International POS	■1,00,000	■5,00,000	1.5% Forex Fee
SAV-OPS-1803	Contactless Tap	■5,00,0	■25,000	Free

SAV-OPS-1804	Cash Deposit Partner	₹50,000	₹2,00,000	₹50 per transaction
--------------	----------------------	---------	-----------	---------------------

Section 19: Savings Account Telemetry & Operational Standards 19

Standard FB-SAV-OPS-019 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 19.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 19.2: Nomination updates and succession claim documentation protocols.
- Rule 19.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 19.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 19.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 19.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 19.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-1901	POS E-commerce	₹2,00,000	No Cap	Free
SAV-OPS-1902	International POS	₹1,00,000	₹5,00,000	1.5% Forex Fee
SAV-OPS-1903	Contactless Tap	₹5,00,0	₹25,000	Free
SAV-OPS-1904	Cash Deposit Partner	₹50,000	₹2,00,000	₹50 per transaction

Section 20: Savings Account Telemetry & Operational Standards 20

Standard FB-SAV-OPS-020 governs account maintenance, nominee registration, and interest withholding compliance.

Every savings account is integrated with automated sweep-in facilities, biometric security bindings, and daily interest ledger calculations.

- Rule 20.1: Auto-sweep facility threshold customization and liquid fund linkage.
- Rule 20.2: Nomination updates and succession claim documentation protocols.
- Rule 20.3: Foreign inward remittance reporting under FEMA regulations.
- Rule 20.4: Direct Benefit Transfer (DBT) and Aadhaar seeding procedures.
- Rule 20.5: Branchless doorstep banking requests for senior citizens and differently-abled customers.
- Rule 20.6: Joint account holder mandate requirements and survivorship clauses.
- Rule 20.7: Periodic e-statement generation and cryptographic hash validation.

Standard Code	Service Type	Daily Limit	Monthly Cap	Fee Beyond Limit
SAV-OPS-2001	POS E-commerce	₹2,00,000	No Cap	Free
SAV-OPS-2002	International POS	₹1,00,000	₹5,00,000	1.5% Forex Fee
SAV-OPS-2003	Contactless Tap	₹5,00,0	₹25,000	Free
SAV-OPS-2004	Cash Deposit Partner	₹50,000	₹2,00,000	₹50 per transaction

Section 21: Master Schedule of Savings Account Charges

Banking Service	Standard Charge	Notes
Minimum Average Balance (MAB) Non-maintenance	₹0 (Zero)	No penalty forever

Section 23: Digital Savings Account FAQ Directory (Items 1 - 100)

Q001: What is the minimum balance required for a FinBase Digital Savings Account? (Operational inquiry 1)

Under Section 1, the account is a zero-balance account with no Minimum Average Balance (MAB) requirement and zero penalty for maintaining a zero balance. [Reference Savings Account Manual Section: Clause SAV-RULE-001].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0001.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q002: What interest rate do I get if my account balance is ■5,00,000? (Operational inquiry 2)

Under Section 2, the first ■1,00,000 earns 3.50% p.a., while the incremental ■4,00,000 earns 6.00% p.a. Interest is calculated on daily closing balance. [Reference Savings Account Manual Section: Clause SAV-RULE-002].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0002.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q003: What is the maximum interest rate offered on savings accounts? (Operational inquiry 3)

Under Section 2, balances exceeding ■10,00,000 earn 7.00% p.a. on the incremental balance above ■10 Lakhs. [Reference Savings Account Manual Section: Clause SAV-RULE-003].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0003.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q004: How many free ATM withdrawals are available each month? (Operational inquiry 4)

Under Section 3, customers receive 5 free cash withdrawals per month at partner ATMs (3 free per month at other metro ATMs). Subsequent withdrawals cost ■21 + GST. [Reference Savings Account Manual Section: Clause SAV-RULE-004].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0004.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q005: Are IMPS or NEFT fund transfers chargeable? (Operational inquiry 5)

No. Under Section 3, all digital IMPS, NEFT, and RTGS outward transfers are 100% free with zero transaction fees. [Reference Savings Account Manual Section: Clause SAV-RULE-005].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0005.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q006: What is the daily transaction limit for UPI payments? (Operational inquiry 6)

Under Section 3, the standard daily UPI transaction limit is ₹1,00,000 or a maximum of 20 outbound transactions per rolling 24-hour window. [Reference Savings Account Manual Section: Clause SAV-RULE-006].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0006.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q007: When is savings account interest credited? (Operational inquiry 7)

Under Section 2, interest is credited quarterly into the account on March 31, June 30, September 30, and December 31. [Reference Savings Account Manual Section: Clause SAV-RULE-007].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0007.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q008: What is the cost of the virtual debit card? (Operational inquiry 8)

The virtual debit card is 100% free and generated instantly in the FinBase app upon account creation. [Reference Savings Account Manual Section: Clause SAV-RULE-008].

- Verification engine: Real-time ledger audit module SAV-AUD-0008.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q009: Can I request a physical debit card? (Operational inquiry 9)

Yes, a physical debit card can be ordered via the app for a one-time issuance fee of ₹199 + GST. [Reference Savings Account Manual Section: Clause SAV-RULE-009].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0009.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q010: Is there any fee for closing my savings account? (Operational inquiry 10)

No, FinBase does not levy any account closure fee at any time. [Reference Savings Account Manual Section: Clause SAV-RULE-010].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0010.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q011: What is the minimum balance required for a FinBase Digital Savings Account? (Operational inquiry 11)

Under Section 1, the account is a zero-balance account with no Minimum Average Balance (MAB) requirement and zero penalty for maintaining a zero balance. [Reference Savings Account Manual Section: Clause SAV-RULE-011].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0011.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q012: What interest rate do I get if my account balance is ₹5,00,000? (Operational inquiry 12)

Under Section 2, the first ₹1,00,000 earns 3.50% p.a., while the incremental ₹4,00,000 earns 6.00% p.a. Interest is calculated on daily closing balance. [Reference Savings Account Manual Section: Clause SAV-RULE-012].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0012.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q013: What is the maximum interest rate offered on savings accounts? (Operational inquiry 13)

Under Section 2, balances exceeding ₹10,00,000 earn 7.00% p.a. on the incremental balance above ₹10 Lakhs. [Reference Savings Account Manual Section: Clause SAV-RULE-013].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0013.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q014: How many free ATM withdrawals are available each month? (Operational inquiry 14)

Under Section 3, customers receive 5 free cash withdrawals per month at partner ATMs (3 free per month at other metro ATMs). Subsequent withdrawals cost ₹21 + GST. [Reference Savings Account Manual Section: Clause SAV-RULE-014].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0014.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q015: Are IMPS or NEFT fund transfers chargeable? (Operational inquiry 15)

No. Under Section 3, all digital IMPS, NEFT, and RTGS outward transfers are 100% free with zero transaction fees. [Reference Savings Account Manual Section: Clause SAV-RULE-015].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0015.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q016: What is the daily transaction limit for UPI payments? (Operational inquiry 16)

Under Section 3, the standard daily UPI transaction limit is ₹1,00,000 or a maximum of 20 outbound transactions per rolling 24-hour window. [Reference Savings Account Manual Section: Clause SAV-RULE-016].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0016.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q017: When is savings account interest credited? (Operational inquiry 17)

Under Section 2, interest is credited quarterly into the account on March 31, June 30, September 30, and December 31. [Reference Savings Account Manual Section: Clause SAV-RULE-017].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0017.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.

- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q018: What is the cost of the virtual debit card? (Operational inquiry 18)

The virtual debit card is 100% free and generated instantly in the FinBase app upon account creation. [Reference Savings Account Manual Section: Clause SAV-RULE-018].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0018.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q019: Can I request a physical debit card? (Operational inquiry 19)

Yes, a physical debit card can be ordered via the app for a one-time issuance fee of ₹199 + GST. [Reference Savings Account Manual Section: Clause SAV-RULE-019].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0019.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q020: Is there any fee for closing my savings account? (Operational inquiry 20)

No, FinBase does not levy any account closure fee at any time. [Reference Savings Account Manual Section: Clause SAV-RULE-020].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0020.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q021: What is the minimum balance required for a FinBase Digital Savings Account? (Operational inquiry 21)

Under Section 1, the account is a zero-balance account with no Minimum Average Balance (MAB) requirement and zero penalty for maintaining a zero balance. [Reference Savings Account Manual Section: Clause SAV-RULE-021].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0021.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q022: What interest rate do I get if my account balance is ₹5,00,000? (Operational inquiry 22)

Under Section 2, the first ₹1,00,000 earns 3.50% p.a., while the incremental ₹4,00,000 earns 6.00% p.a. Interest is calculated on daily closing balance. [Reference Savings Account Manual Section: Clause SAV-RULE-022].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0022.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q023: What is the maximum interest rate offered on savings accounts? (Operational inquiry 23)

Under Section 2, balances exceeding ₹10,00,000 earn 7.00% p.a. on the incremental balance above ₹10 Lakhs. [Reference Savings Account Manual Section: Clause SAV-RULE-023].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0023.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.

- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q024: How many free ATM withdrawals are available each month? (Operational inquiry 24)

Under Section 3, customers receive 5 free cash withdrawals per month at partner ATMs (3 free per month at other metro ATMs). Subsequent withdrawals cost ₹21 + GST. [Reference Savings Account Manual Section: Clause SAV-RULE-024].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0024.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q025: Are IMPS or NEFT fund transfers chargeable? (Operational inquiry 25)

No. Under Section 3, all digital IMPS, NEFT, and RTGS outward transfers are 100% free with zero transaction fees. [Reference Savings Account Manual Section: Clause SAV-RULE-025].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0025.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q026: What is the daily transaction limit for UPI payments? (Operational inquiry 26)

Under Section 3, the standard daily UPI transaction limit is ₹1,00,000 or a maximum of 20 outbound transactions per rolling 24-hour window. [Reference Savings Account Manual Section: Clause SAV-RULE-026].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0026.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q027: When is savings account interest credited? (Operational inquiry 27)

Under Section 2, interest is credited quarterly into the account on March 31, June 30, September 30, and December 31. [Reference Savings Account Manual Section: Clause SAV-RULE-027].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0027.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q028: What is the cost of the virtual debit card? (Operational inquiry 28)

The virtual debit card is 100% free and generated instantly in the FinBase app upon account creation. [Reference Savings Account Manual Section: Clause SAV-RULE-028].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0028.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q029: Can I request a physical debit card? (Operational inquiry 29)

Yes, a physical debit card can be ordered via the app for a one-time issuance fee of ₹199 + GST. [Reference Savings Account Manual Section: Clause SAV-RULE-029].

- Account Classification: Retail savings tier SAV-CAT-03.
- Verification engine: Real-time ledger audit module SAV-AUD-0029.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.

- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q030: Is there any fee for closing my savings account? (Operational inquiry 30)

No, FinBase does not levy any account closure fee at any time. [Reference Savings Account Manual Section: Clause SAV-RULE-030].

- Account Classification: Retail savings tier SAV-CAT-01.
- Verification engine: Real-time ledger audit module SAV-AUD-0030.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q031: What is the minimum balance required for a FinBase Digital Savings Account? (Operational inquiry 31)

Under Section 1, the account is a zero-balance account with no Minimum Average Balance (MAB) requirement and zero penalty for maintaining a zero balance. [Reference Savings Account Manual Section: Clause SAV-RULE-031].

- Account Classification: Retail savings tier SAV-CAT-02.
- Verification engine: Real-time ledger audit module SAV-AUD-0031.
- Statement proof: Visible in quarterly account statements and downloadable TDS certificates.
- Support resolution SLA: Immediate resolution via automated banking chatbot.

Q032: What interest rate do I get if my account balance is ₹5,00,000? (Operational inquiry 32)
