- Base APR Tier 2 (CIBIL 750 to 779): 12.00% to 13.99% per annum.

- Standard processing fee is 1.5% of the gross sanctioned loan amount, subject to a minimum of ₹1,000 and a maximum of ₹15,000.
- Goods and Services Tax (GST) at 18% is applicable over and above the processing fee and is deducted upfront from the disbursed proceeds.
- Disbursal stamp duty and e-mandate registration fees (₹150 to ₹400 depending on state of execution) are borne by the borrower.

Section 5: Repayment, EMI Mandate, and Default Penalties

5.1 Automated Clearing Mandate

- All repayments must be executed via automated electronic mandates: NACH, e-NACH, or UPI AutoPay.

5.2 Bounce and Overdue Penalties

- **Cheque/Mandate Bounce Charge:** ₹500 + 18% GST per bounce occurrence.
- **Penal Interest:** Overdue EMI's attract penal interest at 2.0% per month (24% per annum) calculated on the overdue amount from due date to actual realization date.

Section 6.1: Part-Prepayment Terms

- Part-prepayment is permitted only after completing a minimum of 6 consecutive monthly EMI cycles from the disbursal date.
- Borrowers may part-prepay up to 25% of the current outstanding principal balance once per financial year without attracting any penalty.
- If part-prepayment exceeds 25% of the outstanding principal in a single financial year, an administrative charge of 1.0% + GST is levied on the amount exceeding the 25% threshold.

Section 6.2: Foreclosure Charges & Rules

- The applicable foreclosure charge is 3% of the outstanding principal if the loan is closed prior to completing 24 months of the repayment tenure.
- If the loan is foreclosed after completing 24 months, the foreclosure charge is reduced to 1.5% of the outstanding principal.
- Full foreclosure is strictly not permitted within the initial 6 months from loan disbursal under any circumstances.
- Foreclosure requests can be initiated directly via the FinBase App under 'Loans -> Service Requests -> Foreclose Loan'.
